January 22 & 26 , 2015 Family Letter

Dear Family,

The emphasis in this lesson is on producing the /k/ sound in the middle of words. The book we're using is "Hiccups for Elephant" by James Prellar.

Listening List- Read this word list to your child. Slightly emphasize the /k/ sound at the beginning of each word.

checkers	vacuum	ticket	baker
tickle	packing	making	sucker
taco	chicken	pocket	cookie

Look for these words, objects and actions in your home and community.

Ok	jacket
taking	picking

### Suggested Home activities:

1. Play with playdo or in the sandbox and talk about what you are making: "I'm making cupcakes", "I'm making a house".
2. Look around your house with your child and figure out what you can and cannot vacuum up. Some string? Will go in the vacuum. A shoe? Will not go in the vacuum.
3. Pretend you're going on a trip, or maybe you're going on a real trip, and talk about what you're packing, "I'm packing shoes and a raincoat. I'm not packing my bicycle".

Check out the webpage for links to books on GoodReads and songs on YouTube. Reading and singing our target sounds in context is a great way to practice using those sounds, and listening is also a way we use speech sounds.

Have fun!
