April 13/14, 2015 Family Letter

Dear Family,

The emphasis in this lesson is on producing the /t/ at the end of words. We'll also be working on using the word "it" in sentences. The book for this lesson is **Snug House, Bug House** by Susan Schade and Jon Buller.

Listening List- Read this word list to your child. Slightly emphasize the final sound in each word.

sit	got	might	went
hit	late	hit	put
bought	pat	fight	tight

Target Words- Look for these thing and actions in your home and community.

8	feet
boot	bite

Suggested Home activities:

1. When you're driving in your car/truck/van with your child keep an eye out the number 8 and call it out when you see it.
2. When you get back from shopping at the grocery store and you're putting things away, name the things you bought with a carrier phrase "we bought " or "we got", e'g', "we bought apples", "we got cheese".
3. Play a building game with blocks or legos and take turns being the boss and telling where to put pieces, e.g. " put the yellow on the blue", "put that under the other one".

Checkout the booklist and playlist that are linked on the webpage for this story. There are some great books and songs! This letter will be posted on my website with other activities. Have fun!
